

Smurfit  
Kappa | Bag-in-Box<sup>®</sup>

## How to start using your Bag-in-Box<sup>®</sup>?

1

Place the box on its back so that the pre-cut circle is facing upward.

2

Press the pre-cut circle, lift up the perforated flap and take out the tap.

3

Put the tap into cut-out, refit it and close the flap.

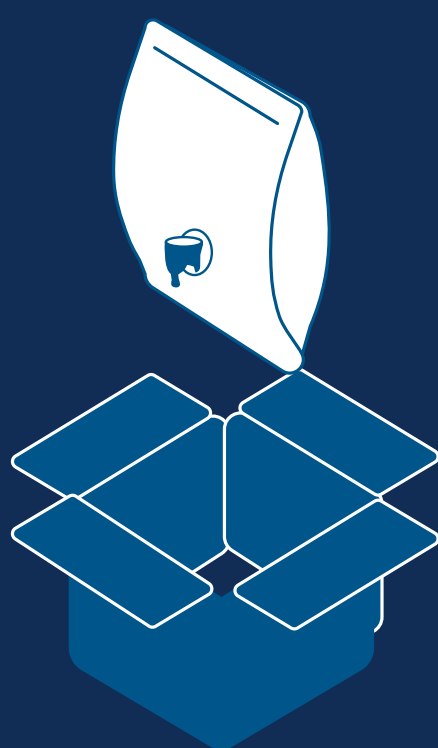

4

To pour press both wings with your fingers.

## When finished

Good news: your Bag-in-Box<sup>®</sup> is recyclable!

Open the box and take out the bag

Place the box in the bin for recycling cartons and the bag in the one for recycling plastics
